Jabra GN1200 Smart Cords

The solution to a common problem of not being able to connect headset and telephone. Even though most things have been standardised, the cord connecting the phone with the handset or headset is anything but standard as each telephone manufacturer has its own wiring code. The GN1200 will work with virtually any phone providing greater convenience.

Jabra Evolve Series™ NEW

2yr warranty

FOR BETTER CONCENTRATION, FOR BETTER CONVERSATION

The Jabra EVOLVE™ series helps you create your own concentration zone with premium active and passive noise cancellation technology – so that you, and not noisy disturbances, are in control. Get further protection from interruptions with the busy light that signals whether or not you are available to colleagues.

MADE FOR BOTH MUSIC AND VOICE

The Jabra EVOLVE™ series is a professional range of headsets designed to improve concentration and conversations. Premium noise cancellation technology gives you peace to work in a noisy, open office; effectively creating a concentration zone around you so you can stay focused.

LET YOURSELF, NOT THE TASK, DECIDE WHERE YOU WORK

Use your headset where you want. Connect easily to your PC via the USB-based control unit or to your smartphone and tablet via the 3.5 mm jack. Additionally you can easily turn your office headset into a very stylish personal headset when you're on the go by seamlessly integrating the microphone boom arm into the headband.

Jabra LINK™ 220A USB Adaptor

EncorePro™ 510 & 520

NEW

2yr warranty

Feel the difference with the EncorePro. Our most popular over-the-head headset now comes with a range of tactile features to enhance the all-day audio experience. The EncorePro's sophisticated new design offers visual and smooth touch feedback, ensuring the microphone is positioned correctly so conversations are clearer. Its softer, more luxurious ear cushions create a new dimension in comfort for users who need to be available all day, every day. And with laser welding and aircraft-grade aluminium providing additional robustness, this is the most durable EncorePro yet.

- Contextual Intelligence-ready for smarter customer interactions
- Brand new, stylish, and ergonomic design
- Laser welding and aircraft-grade aluminium for greater reliability
- Precise visual and touch feedback on mic positioning
- Next-generation noise-cancelling boom
- Soft, luxurious ear cushions for all-day comfort
- Wideband audio with SoundGuard technology
- Quick Disconnect for multiple connectivities and walkaway convenience
- Backed by industry-leading Plantronics global service and support
